L E Lundbergföretagen appoints Director of Communications

Roger Ekström has been appointed Director of Communications with responsibility for IR and sustainability at L E Lundbergföretagen AB. Roger has been Information Manager at the company since 2001 and will assume his new position on January 1, 2017.

“Our business concept is based on a long-term approach and active ownership. Sustainability and communication are of critical importance to achieve long-term value creation, which is why we are strengthening our organization in these areas,” says Fredrik Lundberg, CEO of L E Lundbergföretagen AB. “Roger is highly familiar with both our property operations and our investment activities and we are pleased to engage him at Group management level in this new role,” concludes Fredrik Lundberg.
